| July 1   | Graduation  | 1 Day                  |

## Primary Evening 2022-2023 Schedule

Evening students will be required to complete 2 weeks of observation in Montessori classrooms during first semester; and will be required to complete 4 weeks of practice teaching in Montessori classrooms during second semester. These weeks can be done during the periods when we have breaks from evening classes or while evening classes are in session; students can arrange to complete these requirements during the time frame that works best for their personal/work schedules.
